Current Responsibility

Arije Amara is a consultant in the Luxembourg office of Milliman.

Professional Work Experience

Arije joined Milliman in 2022, and has 3 years of experience. Prior to joining Milliman, she worked as a consulting actuary at Deloitte and EY. Arije performs consultancy assignments on life and non-life insurance in the Benelux. She has been involved in various projects, including valuation and regulatory reporting, support in the ORSA process, support to the Actuarial Function to a life insurer, and M&A projects.

Education

- MSc. Actuarial Science, Paris Institute of Statistics and Risk Management Institut
- Engineering degree, Arts & Métiers ParisTech
